

<b>TITLE OF PANEL / REPORT</b>
EU preparedness and response – learning lessons from the Ebola outbreak
<b>ORIGINATING INSTITUTION</b>
European Union
<b>DATE RELEASED</b>
November 2015
<b>OBJECTIVE</b>
Identify learning points arising from the Ebola epidemic which will be crucial to strengthen health security in the European Union, better prepare us for similar crises and put us in the position to respond rapidly, flexibly and effectively to emergencies and disease outbreaks in the future.
<b>MEMBERSHIP</b>
350 conference participants
